

Project Atlas®

Atlas of Student Mobility | iie.org/atlas

What is Project Atlas?

Project Atlas is a unique global community of national agencies, country representatives and academic mobility researchers from around the world. The goal of *Project Atlas* is to collect and report accurate, timely and comprehensive data on global student mobility and to address the need for improved research on academic migration and the internationalization of higher education. Global student mobility data and associated research is published on the *Project Atlas* website at www.iie.org/atlas.

Who are Project Atlas partners?

Project Atlas partners are national agencies, ministries and research organizations that share accurate and comprehensive student mobility data and collaborate on research on international education.
